

## **THE 2024 NANANGO SHOWGIRL QUEST AND RURAL AMBASSADOR AWARD**

The Nanango Agricultural, Pastoral & Mining Society Inc is looking for young people who are interested in being part of the Queensland Country Life Showgirl Quest and the Queensland Rural Ambassador Award.

Both of these awards start at the grass roots of Queensland Agricultural Shows. There are 128 Agricultural Shows held throughout Queensland every year and it is from these events that the 2024 Showgirl and the Rural Ambassador will be chosen.

### **Nanango Showgirl Quest**

If you are interested in broadening your knowledge of the Queensland Agricultural Show movement and making new friends from around the state, the Showgirl Quest is an excellent platform to start from. As an entrant you will learn lifelong skills which will enable you to improve your personal and professional development.

### **Rural Ambassador Award**

As a Rural Ambassador you will meet State and Federal decision makers and leaders in agriculture and education, be able to input your point of view, ask the hard questions and make important contacts. You need to have the desire to stand up for rural Australia, have a basic agricultural and rural knowledge and be prepared to have a go. You will make lifelong friends and have a good time.

If this sounds like you, contact Mrs Gloria Fleming on 0418 720 645.

The winners of these two awards will be presented with their ribbons and a \$250.00 cash prize. As the Nanango Showgirl and Rural Ambassador, the winners will be expected to represent our Show Society at the South Burnett Sub-Chamber Competition, where they will both receive a further \$250.00 cash. The successful representatives will then compete at the Royal Show in Brisbane in early August 2024. Locally we also hold a "Miss Teen" for girls aged 13-17 years and a "Miss Junior" for those aged 10-12 years. For further information about the competitions or nominating, please contact Mrs Gloria Fleming on 0418 720 645.
